FOR IMMEDIATE RELEASE

Local Training Consultant Helps Organizations Improve their Workplace Using *Everything DiSC® Workplace™*

Power 2 Perform Consulting LLC of Neenah, WI recently added the *Everything DiSC Workplace* program to their growing list of workforce-development tools. New from Inscape Publishing, *Everything DiSC Workplace* is classroom training that can be used with everyone in an organization, regardless of their title or role, to improve the quality of the workplace.

Everything DiSC Workplace uses an online prework assessment to create a highly personalized profile that focuses on understanding yourself, understanding others, and building more effective relationships. The profile also includes unlimited access to follow-up *Everything DiSC Comparison Reports* — which highlights the similarities and differences of any two participants — at no additional charge.

“Our research shows that ‘getting along with co-workers’ is one of the top three areas that employees believe will improve their effectiveness at work,” said Jeff Sugerman, CEO of Inscape Publishing. “*Everything DiSC Workplace* takes collaborative skills to a new level.”

Power 2 Perform Consulting LLC is your local provider of organizational development, talent development and coaching resources. Where we help organizations align their vision, and performance to achieve desired results.

About Inscape Publishing

Inscape Publishing, Inc., headquartered in Minneapolis, Minnesota, is a leading developer and provider of content-rich, technology-enabled corporate training solutions that develop employee interpersonal skills such as sales, leadership, teamwork, communications and time management. With a global network of over 2,000 distributors, Inscape's solution-focused products have been used in thousands of organizations of all sizes, including major government agencies, and Fortune 500 companies. Every year, more than a million people worldwide learn how to work more effectively with others, using Inscape products. Inscape products have been translated into 25 different languages and are used in 50 countries.
